Our Education about the workings of Charlestown Township – Chair Person

It is important for us to know how our Township government works so that we can work with and within it to promote a strong environmental ethic and stewardship within the township government and its residents. We need a working knowledge of the functions and interactions of boards and commissions, as well as a working knowledge of township ordinances that impact the environment.

6:55 p.m. – 7:25 p.m.

Goals, Projects, and Tasks: – Chair Person

1. Identify Eagle Scout Projects for and within the Township.
 2. Stream assessments of watersheds in the township.
 3. Potential watershed projects.
 4. Produce a Community Education Series of Presentations on environmental topics for the residents of Charlestown.
 5. Pipeline issues
 6. Additional ideas for EAC Goals, Project and/or tasks.
