

## Valley Forge Sewer Authority

Charlestown Township is seeking interested applicants for an unexpired term ending 12/31/2020 for the 6-member Board of Directors. This Board oversees the plant and operations, budget & finance, and service and expansion.

The VFSA Board meets on the second Monday of the month at 7:00 p.m. at the VFSA Administration Building, located at 333 Pawling Road, Phoenixville. Charlestown has two members on the Board of Directors.

In addition to the Board, the applicant will serve on two operational committees which will require meetings and a time commitment beyond the monthly board meeting.

### *About the Authority:*

*Incorporated as an operating Authority by Charlestown, East Pikeland and Schuylkill Townships in 1968, the Valley Forge Sewer Authority is a utility that is owned by its customers. Its business is to recycle wastewater into clean water for stream discharge and to produce a specialized fertilizer product utilized by area farmers.*

*The Authority owns and operates 90 miles of collection line, 9 pump stations and a regional treatment plant, serving approximately 22,000 customers in nine Chester County municipalities: Charlestown Township, East Pikeland Township, Schuylkill Township, Easttown Township, East Whiteland Township, Malvern Borough, Tredyffrin Township and Willistown Township. Recently, the area was extended to include a portion of West Vincent Township.*

*The Authority's treatment plant is situated on 54 secluded acres on the banks of the Schuylkill River near its confluence with Perkiomen Creek. The plant operates under permits issued by the Pennsylvania Department of Environmental Protection and the United States Environmental Protection Agency.*
